WHY IS IT GREEN?

Jotashield Colour Extreme is the best premium exterior paint one can choose for harsh tropical weather. With its maximum UV protected colours, it keeps the wall looking fresh and vibrant longer than other exterior paints. Its advanced binder technology keeps the wall looking clean and beautiful by preventing dirt from sticking to walls, and is easily washed away by the rain. Utilizing the optimum level of the latest biocide technology, it also ensures the wall will remain protected from algae and fungus. Fully tested and proven by external laboratories, it is the best exterior paint to protect and beautify a house for at least 12 years.
