

INVIROTECH-TRION ELECTRONIC AIR CLEANERS

WHY IS IT GREEN?

InviroTech-Trion Kitchen Exhaust Electrostatic Precipitator System is ideal for removal of smoke, fumes and oil/ coolant smoke and mist. It helps to clean contaminated indoor air and makes it possible re-circulate it back to the work area, reducing energy costs by not having to exhaust conditioned air to the outside.

It also removes uncondensed grease, fumes & oil, mist from the outgoing Kitchen Exhaust Air, thereby eliminating the smell and odor complaints from nearby buildings.

PRODUCT FEATURES

- Extra depth collector sell with greater dirt holding/ collection capacity.
- Space saving due to compact foot print.
